

UPSSSC Junior Engineer Electrical Recruitment 2026

Complete UnResult Post Data • Advertisement No. 25-Exam/2026

Use this document to populate the UnResult admin form. This is the Electrical recruitment under Advertisement No. 25-Exam/2026, separate from the Mechanical recruitment under Advertisement No. 24-Exam/2026.

Reported details should be verified against the official UPSSSC notification before publication. Age, qualification, vacancy allocation and examination information can vary by post.

1. Basic Job Information

Admin field	Value
Job Title	UPSSSC Junior Engineer Electrical Recruitment 2026 – 380 Posts
URL Slug	upsssc-junior-engineer-electrical-recruitment-2026
Search Title	UPSSSC JE Electrical Recruitment 2026 – Apply Online for 380 Posts
Search Description	UPSSSC JE Electrical Recruitment 2026 has 380 vacancies. Check PET-2025 eligibility, qualifications, age limit, application dates, selection process and how to apply online.
Jurisdiction	State Government – Uttar Pradesh
Covers Other States	No
Location Detail	Uttar Pradesh
Exam Year	2026
Exam Cycle	PET-2025 / Advertisement 25-Exam/2026
Status	Upcoming / Draft until publication workflow is ready
Post Status	Active, if this is the standard setting for open applications
Salary	Leave blank until verified from the official advertisement

Short Description

UPSSSC has announced the Combined Junior Engineer (Electrical) Main Examination 2026 under Advertisement No. 25-Exam/2026 for 380 posts. Eligible candidates with a valid UPSSSC PET-2025 scorecard and the required post-specific qualifications can apply online during the prescribed application window.

2. Important Dates

Event	Date
Notification Date	12 October 2026
Online Application Start	6 November 2026
Online Application Last Date	27 November 2026
Fee Payment Last Date	27 November 2026
Fee Reconciliation / Application Modification Last Date	4 December 2026
Correction Start Date	Leave blank unless separately specified
Examination Date	To be announced
Admit Card Date	To be announced
Result Date	To be announced
Answer Key Date	To be announced

The application dates and 4 December correction/reconciliation deadline are reported by recruitment-information sources; confirm them against the official notification before publishing.

3. Age Limit

Because the age limit varies by post, use the post-wise figures rather than applying one minimum age to every vacancy.

Admin field	Value
Minimum Age	18 years — varies by post

Admin field	Value
Maximum Age	40 years
Age As On	Verify the applicable date for each post in the official notification
Age Relaxation	As per applicable Uttar Pradesh Government and departmental rules

If the form only supports one minimum-age value, enter 18 years and explain in the content that certain posts require a minimum age of 21 years.

4. Application Fee

Category	Fee
General / UR	₹25 processing fee
OBC	₹25 processing fee
SC	₹25 processing fee
ST	₹25 processing fee
Main Examination Fee	Payable separately by shortlisted candidates, as prescribed

The ₹25 is the reported online processing fee; it should not be described as the complete main-examination fee.

5. Eligibility Criteria — Dynamic Entries

Create the following entries in the Eligibility Criteria section. Use the post-specific age limits and qualifications stated in the official advertisement when finalizing each entry.

Post Name	Posts	Post Code	Min Age	Max Age	Eligibility Criteria
Technical Assistant (Electrical) – Special Selection	1	Verify notification	21	40	Three-year Diploma in Electrical Engineering or recognized equivalent qualification; applicable departmental conditions apply.
Junior Engineer (Electrical) – Directorate of Electrical Safety	34	Verify notification	18	40	Diploma in Electrical Engineering from a recognized institution; Hindi reading and writing ability as prescribed. Includes general and special-selection vacancies.
Junior Engineer (Electrical) – Universities and other institutions	5	Verify notification	18 or 21	40	Relevant Diploma in Electrical Engineering and institution-specific service rules. Check each institution's conditions.
Research Assistant	1	Verify notification	21	40	Diploma in Electrical Engineering and two years of teaching experience, as reported.
Junior Engineer (Electrical) – UP State Construction and Infrastructure Development Corporation	4	Verify notification	21	40	Three-year Diploma in Electrical Engineering or recognized equivalent qualification.
Electrician – UPSRTC	56	Verify notification	18	40	Diploma in Electrical Engineering and the required Electrical Supervisory Licence.
Junior Engineer (Electrical) – UP Rajkiya Nirman Nigam	46	Verify notification	18	40	Diploma in Electrical Engineering; includes general and special-selection vacancies.
Junior Engineer (Electrical) – Public Works Department	231	Verify notification	18	40	High School or equivalent and a three-year Diploma in Electrical Engineering or recognized equivalent qualification.
Total	380				

The table groups some university vacancies and combines certain general/special-selection entries for easier entry. The source reports 16 department-wise vacancy entries; preserve the full official breakdown if your admin system needs one row per advertised entry.

General eligibility text

- Candidates must have appeared in UPSSSC PET-2025 and received a PET-2025 scorecard.
- Shortlisting for the Main Examination is based on normalized PET-2025 scores.
- Most posts require a Diploma in Electrical Engineering or a recognized equivalent qualification.
- Certain posts require additional qualifications, such as an Electrical Supervisory Licence or teaching experience.
- Candidates must satisfy the post-specific age, qualification, and departmental service rules.
- The official advertisement governs all eligibility decisions.

General Knowledge of Uttar Pradesh	20	20
Total	100	100

- Exam type: Objective multiple-choice questions
- Duration: 120 minutes
- Total marks: 100
- Negative marking: 0.25 marks per incorrect answer, as reported

8. Physical Tests

Recommended setting: Leave this section blank or mark it “Not specified” unless the official notification explicitly lists a physical test. Do not add a physical test based only on assumptions.

9. How to Apply

1. Visit the official website of the Uttar Pradesh Subordinate Services Selection Commission at <https://upsssc.gov.in/>.

2. Open the Live Advertisement section and select Advertisement No. 25-Exam/2026.
3. Read the complete notification for the Combined Junior Engineer (Electrical) Main Examination 2026.
4. Open the online application link when applications begin on 6 November 2026.
5. Log in or authenticate using your UPSSSC PET-2025 registration details.
6. Complete the required OTP verification.
7. Review your personal details and enter the requested educational and other information.
8. Select only those posts for which you satisfy the eligibility conditions.
9. Upload or verify the required photograph, signature and supporting documents, as instructed.
10. Review the application form carefully before final submission.
11. Pay the reported online processing fee of ₹25.
12. Complete the fee adjustment process within the prescribed deadline.
13. Download and print the final application form for future reference.
14. Use the permitted application modification facility by 4 December 2026, if corrections are required and allowed.

10. Salary

Pay scale varies by department and post. Several Junior Engineer positions are reported at Pay Level 6, with a revised pay matrix of ₹35,400–₹1,12,400. Other posts have different pay structures. Refer to the official advertisement for the exact post-wise salary.

11. Full Job Details

UPSSSC Junior Engineer Electrical Recruitment 2026

The Uttar Pradesh Subordinate Services Selection Commission (UPSSSC) has announced the Combined Junior Engineer (Electrical) Main Examination 2026 under Advertisement No. 25-Exam/2026. The recruitment covers 380 vacancies for Junior Engineer (Electrical), Electrician, Technical Assistant (Electrical), Research Assistant and other related technical posts across Uttar Pradesh government departments, corporations and universities.

Candidates who appeared in UPSSSC PET-2025 and received a scorecard may apply if they meet the required educational qualifications, age criteria and post-specific conditions.

Recruitment Overview

- Organization: Uttar Pradesh Subordinate Services Selection Commission (UPSSSC)
- Examination: Combined Junior Engineer (Electrical) Main Examination 2026
- Advertisement Number: 25-Exam/2026
- Total Vacancies: 380
- Application Mode: Online
- Job Location: Uttar Pradesh
- Required PET: PET-2025 scorecard
- Application Start Date: 6 November 2026
- Last Date to Apply: 27 November 2026
- Fee Adjustment / Correction Deadline: 4 December 2026
- Official Website: <https://upsssc.gov.in/>

Important Dates

The online application process is scheduled to begin on 6 November 2026. The last date to submit the application and pay the initial processing fee is 27 November 2026. The reported deadline for fee adjustment and permitted application correction is 4 December 2026.

The Main Examination date, admit card date, answer key date and result date have not been announced in the information currently available.

Candidates should confirm all dates from the official notification and UPSSSC website before applying.

Application Fee

The reported online processing fee is ₹25 for all categories, including General, OBC, SC and ST. Candidates shortlisted for the Main Examination may need to pay a separate examination fee as prescribed by the Commission. Payment options should be confirmed on the official application portal.

Age Limit

The reported upper age limit is generally 40 years. The minimum age may be 18 or 21 years, depending on the post and department. Age calculation dates also vary according to applicable service rules. Age relaxation is governed by the applicable Uttar Pradesh Government and departmental rules. Candidates must check the age requirements for each post before selecting it.

Educational Qualification

Most Junior Engineer (Electrical) posts require a Diploma in Electrical Engineering from a recognized institution or an equivalent qualification accepted under the relevant service rules. Some posts have additional conditions. For example, Electrician posts in UPSRTC are reported to require an Electrical Supervisory Licence, while the Research Assistant post requires relevant teaching experience.

Candidates must have appeared in UPSSSC PET-2025 and received a scorecard. Shortlisting for the Main Examination is based on normalized PET-2025 scores.

Vacancy Details

A total of 380 vacancies have been reported across 16 department-wise recruitment entries. The largest reported allocation is 231 Junior Engineer (Electrical) posts in the Public Works Department. UPSRTC has 56 reported Electrician vacancies, and UP Rajkiya Nirman Nigam has 46 Junior Engineer (Electrical) vacancies across general and special-selection entries.

Refer to the vacancy table on this page for the department-wise breakdown. The official notification will prevail if any vacancy information changes.

Selection Process

- Shortlisting based on normalized UPSSSC PET-2025 scores.
- The Combined Junior Engineer (Electrical) Main Written Examination.
- Verification of eligibility, qualifications and supporting documents as required by the Commission and recruiting department.

Candidates should read the official notification to understand the complete recruitment procedure.

Examination Pattern

The reported Main Examination consists of 100 objective questions carrying 100 marks, with a duration of 120 minutes. The paper includes Electrical Engineering topics, Computer and Information Technology, and General Knowledge of Uttar Pradesh. Reported negative marking is 0.25 marks for each incorrect answer.

Candidates should consult the official syllabus and examination instructions before preparing.

How to Apply Online

1. Visit <https://upsssc.gov.in/>.
2. Open the Live Advertisement section.
3. Find Advertisement No. 25-Exam/2026.
4. Read the complete notification and check your eligibility.
5. Open the online application link after it becomes available.
6. Authenticate using your PET-2025 registration details and complete OTP verification.
7. Review your personal details and provide the required information.
8. Select the posts for which you meet the eligibility conditions.
9. Verify the application details and submit the form.
10. Pay the prescribed processing fee.
11. Complete fee adjustment and any permitted corrections within the deadline.
12. Save and print the final application form.

Important Instructions

- Do not apply unless you meet the required PET-2025 and post-specific eligibility conditions.
- Check the minimum age separately for each post.
- Review additional qualification requirements, including licences or experience where applicable.
- Select all eligible posts you wish to be considered for, as instructed by UPSSSC.
- Keep a copy of the final application and payment confirmation.
- Use the official UPSSSC website for the notification, application and subsequent updates.

Disclaimer: This post is for informational purposes. Dates, vacancy details, qualifications, salary and examination rules should be verified against the official UPSSSC Advertisement No. 25-Exam/2026 before publication and application.
